Personal information

First name(s) / Surname(s)	Giullia – Loretta BATALI (former surname Comeagă)		
Address(es)	Bdul Lacul Tei 124 sect. 2 Bucharest Romania		
Telephone(s)	Fixed: +40 212421208	Mobile:	+40 745040975
E-mail	loretta@utcb.ro		
Nationality	Romanian		
Date of birth	26/09/1967		
Gender	Female		

Work experience

Dates	From 1990 to present
Occupation or position held	1990 – 1993 – teaching fellow, 1993 – 1998 – teaching assistant, 1998 – 2001 – lecturer, 2001 – 2008 – assoc. prof., 2008 – present – professor Since 2010 PhD supervisor
Name and address of employer	Technical University of Civil Engineering Bucharest, Bdul Lacul Tei 124, sect. 2, Bucharest Romania
Type of business or sector	University

Main activities and responsibilities	Teaching, research and design in Soil mechanics and Foundations, Environmental Geotechnics, Landfills, Geosynthetics 2008 - 2011 – scientific secretary of Hydraulic Works Faculty 2004 - 2011– responsible of the French section of UTCB 2011 – present Vice-dean of the Hydraulic Works Faculty Main courses taught: Geotechnics, Soil Mechanics, Foundations, Retaining structures, Landfills, Pollution phenomena in unsaturated soils Research activities in Geotechnics and Foundations, Geosynthetics, Landfills, Environmental Engineering - 18 research project, from which 2 as project director Published works : over 80 scientific works: 7 specialty books (author or co-author, including lecture notes or guidance for project), 1 book as editor, 7 lecture notes in digital format, 11 papers in scientific reviews or conference proceedings indexed ISI, 31 papers published in journals or conference proceedings indexed BDI, 21 papers published in national conference proceedings, 6 papers in various national reviews, 6 papers presented or posters, from which 2 with prizes The works were cited 12 times in Web of Science and 7 times in BDI Technical activity: - geotechnical reports (about 100 as author) - technical projects for retaining structures, landfills, closing old storage facilities, works including geosynthetics, soil consolidation works - technical norms and design guidance (6, from which 2 as director) - Verification at Af exigency – geotechnical reports, technical projects for GSM, deep excavations, retaining structures using geosynthetics, foundations (about 35) - Technical assistance and consultancy - Standards for ASRO
--------------------------------------	--

Education and training

Dates	1994 - 1997
Title of qualification awarded	PhD in Civil Engineering
Principal subjects/occupational skills covered	Use of geocomposite clay liners in landfills
Name and type of organisation providing education and training	Institut National de Sciences Appliquees Lyon, France
Level in national or international classification	5
Dates	1992 - 1993
Title of qualification awarded	Master degree in Civil Engineering
Principal subjects/occupational skills covered	Field measurements for tunnelling works
Name and type of organisation providing education and training	Institut National de Sciences Appliquees Lyon, France
Level in national or international classification	5
Dates	1985 - 1990
Title of qualification awarded	Civil Engineer
Principal subjects/occupational skills covered	Hydraulic works faculty

Name and type of organisation providing education and training	Technical University of Civil Engineering Bucharest

Social skills and competences	Flexibility and adaptation to multicultural environments gained during stages in foreign countries Good communications skills Team spirit																																								
Organisational skills and competences	At present Vice-dean of the Hydraulic Works Faculty Former scientific secretary of the Hydraulic Works Faculty and former responsible of the French section of UTCB Since 2012 President of the Bucharest branch of the Romanian Society for Geotechnics and Foundations (SRGF) and Vice-president of SRGF 1998 - 2008 – scientific secretary of the Romanian Association for Geosynthetics (ARG) Research director for various research projects financed by CNCIS/ANCS Organization of national and international scientific conferences, colloquia and workshops																																								
Technical skills and competences	Authorized verifier Af exigency Responsible for geotechnical tests Specialist in Soil mechanics, Foundation Engineering, Environmental Geotechnics, Landfills, Geosynthetics Translation of standards in geosynthetics field																																								
ALTE APTITUDINI SI COMPETENTE	Specializations: - INSA Lyon – 3 months - INSA Rennes – 3 months - How to write a proposal for EU R&D framework programmes, Hyperion Ltd, Technical University Budapest, 2002 - How to negotiate, administer, manage and finish an EU R&D contract, Hyperion Ltd, Technical University Budapest, 2002 - French language for specific objectives, Chamber of Commerce and Industrie Paris, 2006 - RENAR „Requirements of standard SR EN ISO 19011:2003 Guide for auditing quality or environment management systems, 2006 - Workshop 3.2. Conception et développement et utilisation d'un cours en ligne, AUF, 2008 President of the Bucharest branch of the Romanian Society for Geotechnics and Foundations (SRGF) and Vice-president of SRGF Member of the Romanian Association of Geosynthetics, Former secretary until 2008 ember of the Council of the Romanian Society for Soil Mechanics and Foundation Engineering (ISSMGE) Member of the International Society of Geosynthetics (IGS) Member of TC 364 Geosynthetics of ASRO Member of TC 5 ISSMGE Member of TC 189 of CEN Member of the European Activities Committee of IGS Member in the redaction board of ARG Bulletin Member in redaction board of SRGF Revue Evaluator for CNCIS, ANCS, CNMP																																								
Computer skills and competences	Good knowledge of Microsoft Office Tools, specialized software																																								
Driving licence	Romanian driver licence Category B vehicle.
